ABSTRACT

An inventory of teacher education certification programs approved for Alabama's public and private four-year colleges and universities as of June 1, 1986, is presented. In addition to the traditional certification programs approved by the State Board of Education in 1978-1979, two alternative certification programs are offered: Middle School Endorsement programs and Strengthened Subject Matter Option programs. Teacher education programs are classified according to a program taxonomy developed by the State Department of Education. Certificates for teachers and instructional support personnel are issued on the basis of completing approved programs of study beginning with the baccalaureate level (Class B) and advancing through fifth and sixth year levels (Class A and Class AA). For each college and program, there are charts for type of certification by level. The public and private colleges that provide teacher education programs include: Alabama A&M University, Alabama State University, Athens State College, Auburn University, Jacksonville State University, Livingston University, Troy State University, University of Alabama, University of Montevallo, Birmingham-Southern, Faulkner University, Huntington College, Judson College, Miles College, Mobile College, Oakwood College, Samford University, Spring Hill College, Stillman College, Talladege College, and Tuskegee University. FOREWORD

The 1986 edition of the Inventory of Teacher Education Certification Programs reflects all State Board of Education (SBE) approved programs for Alabama's public and private four-year colleges and universities as of June 1, 1986. In addition to the traditional certification programs approved in accord with the standards adopted by the SBE in 1978-1979, two alternative certification programs are offered: Middle School Endorsement (MSE) programs and Strengthened Subject Matter Option (SSMO) programs.

Teacher education programs are classified according to a program taxonomy developed by the State Department of Education (SDE).

Certificates for teachers and instructional support personnel are issued on the basis of satisfactory completion of approved programs of study beginning with the baccalaureate level (Class B) and advancing through fifth and sixth year levels (Class A and Class AA).

Each certificate is issued for a specific teaching field (e.g., Music) and grade level (e.g., N-12). Middle school endorsement programs (MSE) are offered at the Class B level only and Strengthened Subject Matter Option Programs (SSMO) are limited to the Class A and Class AA levels. Instructional support personnel certificates are issued on the basis of designated roles (e.g., superintendent, high school principal, etc).

All data were submitted by the institutions and verified by the institutions, SDE staff, and Commission staff.

A summary of SBE approved programs offered by level follows.

	Class B	Class A	Class AA	MSE 1-6	MSE 7-12	SSMO A	SSMO AA
N-3	25	22	16	138	154	41	17
1-6	26	35	30				
4-8	108	77	55				
7-12	338	218	160				
N-12	122	208	146				

The Alabama Commission on Higher Education (ACHE) inventory of Academic Programs also includes the following categories: public senior institutions and branch campuses (Volume One); private senior institutions and branch campuses; private junior colleges (Volume Two); Regional Technical Institute (RTI) Linkage programs; public junior and community colleges; (Volume Three); and public technical colleges (Volume Four).

ALABAMA COMMISSION ON HIGHER EDUCATION

Created by the Legislature in 1969, the Alabama Commission on Higher Education has sought to coordinate public higher education in Alabama for more than 17 years.

In fulfilling its responsibility to approve new programs, review existing programs, formulate annual budget recommendations, coordinate student financial aid programs and chart long-range goals for higher education, the Commission must also match the strengths of each of the 57 institutions under its guidance with the available financial resources.

To ensure those decisions are made with an awareness of the educational and financial consequences, the Alabama Commission on Higher Education provides data; responds to inquires; conducts studies; and offers other assistance on higher education matters to the governor, the Legislature, the institutions and the citizens of Alabama.

The Commission is composed of 12 members - 10 appointed by the governor, one by the lieutenant governor and one by the speaker of the House - who serve staggered nine-year terms.

Dr. Joseph T. Sutton is Executive Director, overseeing the activities of a staff of nearly 80 full-time employees.
